

Dress Rehearsal News

June 7th @GHS!

Dress rehearsal will be held June 7th **3:30-8** at the *Greenfield High School*. We will be running it different from the past rehearsals we have had at Pizazz. Each class will have about 10 mins on stage that way we can go over all the little details like spacing, lines, entrances and exits. All dancers must wear their costumes and their hair and makeup like they would for the show. All dancers that are participating in the finale must all come for the finale time... Please do not wear your finale outfit! Please wear the costume you just had on or need to have on for your rehearsal time. Bathrooms will be open for dancers to change not the locker rooms! Please remember that these are just rough times for each class on stage I will try not to go over and stick to the schedule but we might run ahead or we might run behind so come 10 mins early!!
You may leave after all your dances and the FINALE!
