Dancers can change in the lockers rooms. Please remember we are renting the GHS and we all need to do our part and be respectful of the school and clean up after ourselves!

During the recital we will have a dance on stage one lined up backstage and one lined up in the hallway. So please have your dancer ready and in the hallway to the right of the stage 3 numbers before. Dancers will exit from the left side of the stage then walk behind the curtain to the hallway to the right of the stage where you dropped them off. This will allow you time to get out of your seat and meet them in the hallway. Please remember to be s quiet as you can backstage and in the hallways. We ask that you stayed seated until the dance is over so everyone can enjoy the show. Incase of an emergency we ask that you take your child and be with your child at all times.
