Ms. Caitlin

Caitlin Vautour has been dancing over 30 years, studying in all areas of dance. Caitlin started her dance career at the age of 3 at Jenny's School of Dance where it was then taken over by Pizazz Dance Studio in 1996. Caitlin joined the company dance team at Pizazz at the age of 8 where she performed in many routines that landed at Nationals. Unfortunately Caitlin injured her knees during her dance career and had 9 knee surgeries and even though the doctors all told her she could not dance anymore that never slowed her down. She continued to dance and became an assistant. During those recovery times she learned the ins and outs of running a dance studio which has always been her dreams. After graduating high school Caitlin stayed near by attending HCC and GCC for Early Childhood so she could continue teaching dance at Pizazz. In July 2015 Caitlin's dreams came true when she bought Pizazz Dance Studio. Now as a studio owner/director Caitlin thrives on making all dancers who walk through her doors fall in love with art of dance while building confidence and having fun. She is very thankful for her amazing staff, her family and everyone who has supported her throughout all these years. Caitlin can't wait to see what the future holds and can't wait to see everyone shine on stage!

Ms. Becky

Becky Reade has been dancing for 44 years , studying Tap, Ballet, Jazz, Lyrical, Pointe and Gymnastics. She began at the age of 3 at Carol Butlers School of Dance in Northampton, Ma. At 11 years old she continued her dance education with Gerriane Genga Dance and Gymnastics in Warwick , R.I. Becky has competed in numerous dance competitions and attended many conventions throughout New England. She has been teaching dance for 28 years and is experienced in various ages and levels . This is Becky's 19th year with Pizazz Dance Studio and she looks forward to sharing her love of dance with her students .

Ms. Christina

Christina Bardwell is a native of western Massachusetts where she grew up studying all areas of dance at Hackworth School of performing arts. She's been dancing for the past 36 years and fell in love with the rhythms and sounds of tap dancing. Christina trained with some of the most prestigious tap teachers including Mike Minnery, Gil Stroming, Michelle Dorance, Derek Grant, Jimmy Slide, Harold Nicholas and most importantly her mentor Lisa Heath. Christina won numerous dance titles as her career progressed in the competition circuit. In 2000 after qualifying, she joined the JR USA tap team. Christina and her duo partner Kim traveled to Slovenia and won the JR tap duo World Champion title. In 2002 she qualified on the SR USA tap team traveling to Germany. Here she competed against 50 other nations in the 16 and over age category. She won two gold medals receiving her most awarded title of SR world tap duo champion and SR tap solo champion. She is the first female solo winner to receive a perfect score at the world championship competition. Christina performed in a off Broadway tap show Break the Floor and has performed at numerous events. Christina has since turned her love and gift of dance into an opportunity for others to learn. She has been teaching all styles of dance for 20 years taking pleasure in every step along the way.

Ms. Nicky

Nicky Phillips has been dancing for over 30 years. She studied Tap, Ballet/Point, Lyrical, Modern & Jazz competitively for the highly regarded KDS Dance Company until her graduation from High School in 2005. She also was in numerous Ja'Duke productions/musicals in the summers throughout high school and college. In college she danced for the Worcester State Dance Company and then eventually a D1 Dance team for the University of Hartford. Although, she has taken a break from the dance scene since becoming a Mom in 2013, her love for it has never wavered. She has shared her love for dance with both her daughters, Madison & Quinn, who have danced at Pizazz for the last 3 years. This is her first year teaching at Pizazz. She is so excited for more opportunities to teach in the future, and to see the positive impact that dance can have on dancers, as it did with her! It's an honor for her to be able to share her love for dance with the students & to be a part of the Pizazz Dance family!

Miss. Reese

Reese Deshaies started dancing at two and half years old at Hackworth School of Performing Arts. Her parents encouraged her to try all sports and activities, but my one consistent love was dance. At 8 years old she was selected to join Company and the transition from recreational to competitive dance. She trained in all disciplines but decided to focus mainly on lyrical, musical theatre and her favorite contemporary. Studying at Hackworth gave her access to learn from many great dancers, such as Teddy Forance, Travis Wall, Nick Lazzarini, Scott Fowler, Billy Grillin, Channing Cooke, and Wade Robson just to name a few. She attended many dance intensives, conventions an competitions and won serval scholarships. Reese took time off to attend college and get her bachelor's degree in Health Sciences. Now she is back on the dance floor with Pizazz Dance Studio and is looking forward to working with you all!
